Explanation of Services

Professional & Staff Services – fall into the following categories

Basic Professional Fees

- Professional consultation with licensed personnel, including, but not limited to, expert advice on options to meet your needs including essential services related to disposition, drafting notices, planning scheduling of services, advising regarding possible government benefits. A basic professional fee is payable whenever we provide services to you. \$650.00

Coordinating Rites & Ceremonies

- Co-ordination of all activities, rites and ceremonies, before, during and after they have been provided, including services and supplies provided by us, as well as those provided by third party suppliers, such as flowers and death notices. \$475.00

Documentation

- Completion and filing of all documents necessary to carry out the services and supplies requested, including, but not limited to death registration, burial permit, coroner's certificate, clergy record where required, cremation application or interment permission form. Third-party fees charged for these documents are not included and are itemized below on page 1. We also provide Proof of Death certificates for estate settlement purposes. Proof of Death certificates are provided to the deceased's authorized representative as a service only and are not a legal government document; however, they are usually accepted for most estate settlement purposes. Sometimes a provincial "Certified Death Certificate" will be necessary and is available for purchase from the Office of the Registrar General, or through us as a disbursement. \$250.00

Transport remains – initial or additional (within 50 km; additional fees apply beyond 50 km)

- Transportation of the remains from one place to another, for example the hospital to the business, or the business to the cemetery or crematorium, a charge applies for each transportation request
 - Using an unmarked van
 - Using a funeral coach or hearse \$250.00

Basic preparation of remains (requires Facilities for preparation/embalming/shelter) \$ 100.00

- The preparation of the body for placement into the casket, including bathing, dressing and the setting of facial features for identification or viewing without embalming.

Embalming of remains	\$ 300.00
Embalming is the process of replacing blood and bodily fluids with chemical preservatives. It is a process of sanitation, restoration, and temporary preservation. Embalming is not legally required but may be recommended to preserve the body between the time of death and the visitation or disposition of the deceased. Our professional funeral directors will make a recommendation based on the condition of the body and expected service needs.	
Facilities for preparation/embalming/shelter	\$ 175.00
<ul style="list-style-type: none"> Facilities used to prepare, embalm, and shelter the body

Disbursements

Disbursements are items arranged for and possibly paid for on your behalf by us. You are expected to pay for these items at the time the contract is entered. The following are some items that are often identified as disbursements. Coroner's fee – this is a fee charged by the coroner for issuing a certificate that allows cremation to take place. The fee is set by the Chief Coroner for Ontario.

Clergy honorarium & Organist/Soloist/Piper honorarium – this is an amount paid to the clergy/organist/soloist/piper for their services. In some cases, the amount is set by the clergy/organist/soloist/piper, in others it is an amount to be determined by you.

Newspaper or radio notices – these are charges for death notices placed in newspapers or radio or other media outlets. Municipal death registration fee – this is a fee charged by the local municipality to register the death. The fee is set by the municipality and may vary. Grass & Device-equipment used for burial set-up at cemetery.

Payment, financing, and funding

We are proud to offer various payment, funding, and financing options to our clients.

Additional information about payment, financing and funding options is available upon request.

Payment

Unless otherwise specified, payment is due within 30 days of signing the contract. Payment may be made by cash & cheque. Payment plans are also available to meet most budgets. Financing charges apply to payment plans. Beyond the allotted time, interest will be charged at a rate of 1.5% which is equivalent to 18% per annum (APR).

If you are prepaying for services or supplies, pre-authorized chequing is also available.

Financing

Our payment plans give you the option of making payments over time. We offer a competitive financing program, administration fees and interest rates.

Funding

For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today, and the money will be used to pay for the services and supplies when they are delivered at the time of death.

Trust: You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

Insurance: You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered, or the contract is cancelled.
