Mason E. Bradley

1909-1974

Rev. 3:20-22

We suggest that for the time of visitation and funeral someone remain in your home or a close neighbor maintain a watchful eye during your absence.

Bradley Funeral Home was opened by Mason E. Bradley in East Camden in 1954. Mason began his career in the funeral industry working for his uncle, Elias Mason, at the Mason Funeral Home upon his discharge from the U.S. Navy. The Mason Funeral Home, also located in East Camden, opened its doors in 1920 and upon the death of Elias in 1950; Mason assumed the position of manager. By 1953, Mason decided to dissolve the Mason Funeral Home and open Bradley Funeral Home in East Camden. This new funeral home opened its doors in 1954.

With the success of the funeral home in East Camden, Mason decided to open a second location in Marlton in 1968 with his son, Wilson R. Bradley.

Wilson and Cindy Bradley married and moved to the Marlton funeral home in the spring of 1968. They raised their family in Marlton and became involved in the community they love.

Mason died in 1974 and Wilson became manager of both locations. Wilson decided to close the Camden location, in 1987 and invest in the renovation and expansion of the Marlton location. Over the years, additional expansions would take place to better serve the Marlton community and surrounding areas.

Wilson and Cindy Bradley own the funeral home along with their daughters; Jennifer Bradley and Jill Bradley Ingram, who continue to be involved in the Marlton and surrounding communities. Grateful for the trust we have built over the years, the Bradley Funeral Home family and staff continue to proudly serve the community with the same compassionate professionalism that began over 100 years ago in East Camden.

Professional, compassionate service from your community funeral home...

We are available 24 hours a day, 365 days a year.

Consumer Protection Information:

There are some monument/memorial dealers who, shortly after burial, contact the family and claim to represent the cemetery or the funeral home. These persons will often attempt to sell a monument to a family, receive payment, and fail to deliver, or suggest that there are certain requirements for monumentation and that monuments must be placed within a certain period of time. OUTER BURIAL CONTAINER PRICE LIST (VAULTS)

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
