“In faith and hope of resurrection, the bodies of the dead must be treated with respect and charity. If cremation is chosen, the person’s remains are to be treated with the same dignity as the human body from which they come. Whether buried in the ground or entombed in a mausoleum or niche, the Catholic Church has, from its earliest days, honored the body of those who have died through its liturgies and practices. When the time comes for a loved one to pass from this life to the next, Catholic Cemeteries and Funeral Homes will be there to comfort and serve your family.

I would also encourage you to talk with your family about your funeral arrangements and preplan your Catholic funeral. It truly is a gift of love.”

+ John P. Dolan

The Most Reverend Bishop John P. Dolan

Bishop of the Roman Catholic Diocese of Phoenix

Our Catholic Cemeteries and Funeral Homes

The Catholic Church confidently proclaims that God has created each person for eternal life. At the moment of death, life is changed—not ended—as an eternal dwelling is made ready for us in Heaven. When that time comes to move from this life to the next, Catholic Cemeteries and Funeral Homes will be there to serve and comfort you and your family. As a nonprofit ministry of the Catholic Church, we're an extension of your faith community.

In the following pages, you will see the many options available for traditional burial, entombment and cremation services. In addition to funeral home service costs, your funeral director will discuss the cost of funeral-related merchandise. Our caring and professional staff will help guide you and your family in a way that honors the rich traditions and spiritual foundation of your Catholic faith. Catholic Cemeteries and Funeral Homes seeks to meet the needs of individuals and families before, at the time of death and burial, and throughout the period of their bereavement. Thank you for letting us serve you during this difficult time.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy this requirement.

Thanks to funeral service professionals and caring families, more than 12 million trees have been planted through this program.
