“In faith and hope of resurrection, the bodies of the dead must be treated with respect and charity. If cremation is chosen, the person’s remains are to be treated with the same dignity as the human body from which they come. Whether buried in the ground or entombed in a mausoleum or niche, the Catholic Church has, from its earliest days, honored the body of those who have died through its liturgies and practices. When the time comes for a loved one to pass from this life to the next, Catholic Cemeteries and Funeral Homes will be there to comfort and serve your family. I would also encourage you to talk with your family about your funeral arrangements and preplan your Catholic funeral. It truly is a gift of love.”

Our Catholic Cemeteries and Funeral Homes

The Catholic Church confidently proclaims that God has created each person for eternal life. At the moment of death, life is changed—not ended—as an eternal dwelling is made ready for us in Heaven. When that time comes to move from this life to the next, Catholic Cemeteries and Funeral Homes will be there to serve and comfort you and your family. As a nonprofit ministry of the Catholic Church, we’re an extension of your faith community.

In the following pages, you will see the many options available for traditional burial, entombment and cremation services. In addition to funeral home service costs, your funeral director will discuss the cost of funeral-related merchandise. Our caring and professional staff will help guide you and your family in a way that honors the rich traditions and spiritual foundation of your Catholic faith. Catholic Cemeteries and Funeral Homes seeks to meet the needs of individuals and families before, at the time of death and burial, and throughout the period of their bereavement. Thank you for letting us serve you during this difficult time.

Professional Services

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you have selected.

Basic Services of Funeral Director, Staff and Overhead

Our services include: conducting the arrangement conference, planning the funeral, consulting with family and clergy, shelter of remains, preparing and filing necessary notices, obtaining necessary authorizations, coordinating with the cemetery, crematory or other third parties. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. **\$795**

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Living Memorial® Tree Planting Program

The Living Memorial tree program is made possible through a special agreement with various government agencies and participating funeral homes.

With the purchase of a Batesville or Options product, Batesville will, in cooperation with the Diocese of Phoenix Catholic Cemeteries and Funeral Homes, plant a tree in selected woodlands to keep the memory of your loved one alive.

Thanks to funeral service professionals and caring families, more than 12 million trees have been planted through this program.
