Selecting a funeral home can be one of the most difficult decisions in life. Often, the selection of a funeral home is made without much thought as to price or quality. We hope to make this decision a little easier. We have prepared our General Price List to be easy to understand, yet as comprehensive as possible. It will give you an understanding of the total cost of a funeral or a cremation conducted through either of our locations. We have always encouraged families to compare before selecting a funeral home. Prices, quality, location, and the availability of staff to meet your needs differ with every funeral home. As always, a price list cannot provide the answers to all your questions, so please feel free to call, stop in or visit our website at colonialfuneral.com for additional information.
