For over 42 years, Cremation Society of Illinois has proudly served families with dignity, integrity and compassion. Rockford, IL 61114

Our Rockford office has officially moved—just down the street! The decision to relocate was part of our ongoing effort to streamline operations and make the best use of our resources. While the new space is smaller, we want to reassure you that our commitment to serving families in the Rockford community remains as strong as ever. Cindy Maschke, our location manager and Brian Michalski, Pre-Need arranger are ready to assist with the same level of care and professionalism you've come to expect.

In addition, we've made a change involving our Aurora and Glen Ellyn offices. Our Aurora location has now merged with our Glen Ellyn team. As part of this transition, Kirsten Evenhouse, our valued team member from Aurora, has joined Stephanie Smedbron and Cheryl Stellato at the Glen Ellyn office.

These updates reflect our ongoing efforts to adapt and strengthen our services while ensuring we remain responsive to the needs of the families we serve. Thank you for your continued trust and support.

Traveling This Fall? Don't Leave Without This

Whether you're heading out on a cruise, overseas adventure, or simply traveling more than 70 miles from home, our Travel Protection Plan is essential. For a one-time fee of \$555, you're covered anywhere in the world—for life. This plan can save your family thousands of dollars in unexpected costs.

One member recently shared:

"We were on a cruise in Europe when my husband suddenly passed away. I was terrified and had no idea what to do. But thanks to our Travel Protection Plan, Rita at Cremation Society handled everything. She made sure my husband was brought home with dignity—and it didn't cost me the \$8,000 I was quoted. I can't imagine what I would've done without it."
