

Itemized Professional Services

Basic Professional Staff Services.....\$850

Our charge for the services of funeral director and staff includes, but is not limited to, staff to respond to initial request for our service, arrangement conference with family or responsible party, coordination with cemetery, crematory, or any other parties involved with final disposition of deceased, preparation/filing necessary notices, authorizations and permits, and sheltering remains. This fee for our basic services and overhead may be added to the total cost of funeral arrangements you select. A portion of this fee is already included in our charges for direct cremation, immediate burial, forwarding or receiving remains, and package prices.

Embalming (no autopsy).....\$495

With certain exceptions (see below), embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements such as a funeral with viewing. If you do not want embalming, you may choose an arrangement such as direct cremation or immediate burial. This price includes the use of prep room, equipment, and materials involved in performing embalming.

According to 37.116.103 Administrative Rules of Montana, a body "en route more than 8 hours, or if the termination of a common carrier transport occurs more than 36 hours after the time of death, the body must be either embalmed or refrigerated at 35 degrees Fahrenheit or colder," or "When being transported by a private conveyor and the body will not reach its destination within 48 hours after the time of death, must be either embalmed or refrigerated at 35 degrees Fahrenheit or colder."
