These prices are effective as of July 1, 2025, but are subject to change without notice.

Our pricing is ALL inclusive – there are no hidden fees for processing insurance claims, filing paperwork for Death Certificates, providing obituary assistance, etc.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICES OF FUNERAL DIRECTOR, STAFF, AND OVERHEAD **\$1,995.00**

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. EMBALMING **\$750.00**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with visitation. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Administrative Rules of Montana (ARM) 37.116.103 requires, if a "body is en route more than eight (8) hours, or if the termination of common carrier transport occurs more than thirty-six (36) hours after the time of death, the body must be either embalmed or refrigerated at 35 degrees F or colder," or "when being transported by a private conveyer and the body will not reach its destination within 48 hours after the time of death, must be either embalmed or refrigerated at 35 degrees F or colder." **PLEASE NOTE: It is the policy of our firm to require that an unembalmed body be placed in a controlled temperature environment once in our care.**
