GENERAL PRICE LIST

These prices are effective as of March 3, 2025, but are subject to change without notice. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing in the statement we provide describing the funeral goods and services you selected.

SERVICES OF FUNERAL DIRECTOR AND STAFF **\$2,495**

Our professional service charge includes but is not limited to consultation with family and clergy, arrangements and direction desired, preparation and filing of necessary notice, i.e. death certificates, social security, veteran, authorization and consents, other services (receiving and arranging flowers), and coordinating with those providing other portions of the funeral, i.e. cemetery, crematory, and others. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, equipment and inventory expenses, and administrative costs. Our service is unending; that is, it must be available 24 hours every day of the year.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.

If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as a direct cremation or immediate burial.

If final disposition of a dead body has not occurred within 48 hours of the death, Ohio law requires that the body be embalmed or refrigerated at 40 degrees Fahrenheit or less.

PAYMENT OPTIONS

We appreciate the opportunity to serve your family during your time of need. At E. F. Boyd & Son Funeral Home, it is our goal to assist every family, regardless of their financial resources. We have a range of payment options that can meet any family's needs.

Our funeral home requires all arrangements for the full payment of the funeral be finalized prior to our making any arrangement to conduct a visitation, funeral, or memorial services. The following options are available.

Payment by Cash, Check or Money Order: If this option is selected, the following terms will apply:

- All cash advances, services, and merchandise must be paid before your loved one is casketed or cremated.
- A late penalty of 1.5% per month will be imposed on any unsecured balance 30 days after the funeral.
- Any check returned to the Funeral Home for lack of funds or other reasons will be subject to a thirty-five-dollar (\$35.00) service charge.

Insurance Assignment: Proceeds from one or more insurance policies can be assigned to E. F. Boyd & Son Funeral Home for all or a portion of the funeral expenses. All policies MUST be verified as "in-force" along with the name of beneficiary (ies) before any insurance will be accepted as payment of funeral expenses. An insurance claims processing fee of two hundred dollars (\$200.00) will be added to the funeral bill. Any amount exceeding the insurance proceeds must be paid prior to the funeral.

- When A Funding Company is necessary there is a 6.5% fee of the total bill added to the contract.
- Insurance policies less than two years old are generally contestable and therefore will not be accepted.

Visa/Mastercard/Discover/American Express will be accepted for payment of funeral services and merchandise. You will be charged a four percent (4.0%) processing fee by our credit card processing company for all credit purchases – no charge for debit card purchases. To use a debit card, the person making the purchase must be present. Credit cards of the deceased will not be accepted.

- Payment by Estate : because it may take up to a year or more to probate and settle an estate, the Funeral Home does not accept this form of payment.

We will not sign probate waiver forms if the funeral bill has not been paid in full.

A THOUGHT FOR THE FUTURE

Something to think about!

After a loss, there are legal items that should be taken care of within a brief period, i.e., change of beneficiary on insurance policies; title changes on property, autos, and/or bank accounts; notification to creditors, etc.

Losing a loved one is one of the most challenging times of our lives. At one of our lowest moments, we must make many important decisions within a truly brief period of time. We encourage families to discuss final arrangements in advance to reduce the uncertainties of impulsive decisions that must be made quickly.

One of the services we offer is professional advice about funeral pre-planning. Funeral advanced planning is one way in which families can virtually eliminate the stress associated with planning a funeral. It allows you the luxury of time. Time to plan, time to gather vital information, time to make informed decisions, and most importantly, time to pay before the service is needed at today's prices.
