The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. CONCRETE GRAVE BOX	\$1,195.00
---------------------------	-------------------

In most areas of the country, State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

(The above-mentioned Concrete Grave Box meets the minimum requirement for Double Butte Cemetery located in Tempe, Arizona and the City of Mesa Cemetery located in Mesa, Arizona.)

Other Outer Burial Container renderings available upon request.

This image shows a full page of blank white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page, providing a template for writing or drawing. There are no margins, text, or other markings present.
