Additional Expenses: Cash Disbursements

Arranging the funeral ceremony and committal often requires the funeral home to make advance payments to others on your behalf. We do not charge for this service. An example of the people who may expect payment in advance include the cemetery, church/synagogue or clergy. Often the timing of the funeral arrangements-- hour, date, or holidays-- may make it necessary for us to estimate what advances you want us to make on your behalf.

This list does not include prices for certain items that you may ask us to buy for you, such as cemetery or crematory services, flowers and newspaper notices. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected.
