The Federal Trade Commission (FTC), and the New York State Department of Health, and the New York City Department of Consumer Affairs require funeral providers to make certain disclosures on the General Price List. These disclosures are similar, but are not exactly the same.

Federal Trade Commission (FTC) Disclosure

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

New York State and New York City Disclosures

However, any funeral arrangements you select will include a charge for our services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral services and merchandise you selected.

This list may not include prices for certain items that you select, such as cemetery charges or crematory services, flowers, and newspaper notices. The estimated or final prices for those items will be shown on the itemized statement describing the funeral services and merchandise you selected. We charge you for our services in buying certain items.

Your authorization is required for a funeral home to obtain custody of a body, and a body must be released promptly upon request.

The provider of funeral services is required to give price information in person and over the telephone.

A provider of funeral service is prohibited from representing that the deterioration of human remains can be prevented for more than a limited time by embalming, caskets, vaults or outer interment receptacles.

This funeral home is certified to provide environmentally friendly services, including non-toxic body care and biodegradable caskets. Look for the □ symbol throughout this price list for goods and services that protect the environment and worker health.

PLEASE NOTE: This establishment is one of a select number of funeral homes that meet the criteria for providing green funeral service by the Green Burial Council, a tax-exempt, nonprofit organization working to encourage environmental sustainability in the field of funeral service. These offerings allow for a funeral to take place without the use of toxic or nonbiodegradable materials/chemicals. Caskets and shrouds are made available to enclose and transport the dead. Body preparation suitable for a green funeral service accommodated by this funeral home consists of the use of topical sprays/compounds, or arterial embalming with essential oils. Home wakes, public visitations, church and synagogue funerals, as well as graveside services, are options that may be arranged within the time frame that a green funeral allows.

These prices are effective as of November 1, 2026 and are subject to change without notice.
Forest North Funeral Chapel is wholly owned and operated by Patrick J. Marmo.
