PREPLANNING

Many people are unfamiliar with arranging a funeral, the options available and the costs involved. An uneasiness still exists in our society, about death and dying and thus inhibits prudent planning. Unless preplanned, funeral arrangements and decisions may be made under very stressful circumstances.

We offer many avenues for preplanning.

They can be very informal: Discussing with families their own desires, options and prices.

Or more formal: Actually making definite funeral arrangements including the selection of funeral merchandise and assistance in setting aside funds for funeral expenses through different avenues.

We are always ready to assist in preplanning in any appropriate way.

GENERAL PRICE LIST

These Prices are effective as of October 15, 2026 but are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. This list does not include prices for certain items that you may ask us to buy for you, such as cemetery or crematory services, flowers, newspaper notices, death certificates, clergy/church and/or musician services. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected.
