Together, we will co-create a unique experience, rich with nostalgia and treasured memories, celebrating the life of your loved one.

Thank You FOR TRUSTING US

Dear family and friends,

James O'Donnell
Owner, Funeral Director and Embalmer

A funeral, memorial service, and visitation are times of reflection and celebration of a loved one. It is also an important time to feel the support of family and friends. Our professional staff is trained to work with you in designing a service that is as unique as the person you are honoring.

When a death occurs, a family is faced with many decisions that need to be addressed in a relatively short period of time. These decisions can leave a family overwhelmed, especially with the emotional impact that they have just experienced.
In this booklet you will find our price lists. We offer several choices to fit each family's needs and budget. We also want your family to know that if cremation is chosen as the final disposition, we have our own crematory on site. This is important because your loved one never leaves our care.

It is our desire for your family to understand all of your options. We feel that more informed families make better decisions. We have created different service options and offer a wide variety of merchandise. It is always our goal that the level of personalized service, comfortable facilities, and professional staff exceed expectations.

We are extremely proud of our heritage and pledge to you and your family that the professional and compassionate care you receive from us will help you through a difficult transition, and will leave kind memories. If you have any special requests, please let us know.

Thank you for placing your trust in James O'Donnell Funeral Home, Inc.

FUNERAL EXPENSE *Guidelines*

While your funeral director will guide you through the many decisions that will need to be made, this section will inform you on the three parts to a funeral contract and help you better understand the price lists on the following pages.

The three parts to a funeral contract are:

1. **Expenses associated with the funeral home services provided to your family.** These charges are often referred to as service charges and include our professional fees, facilities, and transportation.

2. **Expenses associated with the merchandise your family selects.** This could include items such as a casket, outer burial container that the casket is placed in at the cemetery, register book package, etc. Please keep in mind that you will be required to pay the applicable percentage sale tax on these items.

3. **Expenses associated with those people that play a role in the funeral service but don't work for the funeral home.** These items are referred to as Outside Expenses or Cash Advance Items on the funeral contract and vary by each family's needs and wishes. These expenses might include the cemetery's fees to open and close the grave, florists, musicians, hairdressers, newspaper obituary fees, minister honorariums, and any other people that a family might want to participate in the services. Be sure you fully understand all of your outside expenses as *often times these items can add a significant amount to the total service costs.*

Our PAYMENT POLICY

James O'Donnell Funeral Home, Inc. is committed to providing compassionate service to our area. We recognize that the families we serve may have had little time to prepare for the costs associated with the death of a loved one. Because of this, we offer several different payment options.

Please indicate to your funeral director which method of payment you will be using to pay for the funeral expenses for your loved one.

OPTION 1: FAMILY SHIELD CREDIT*
Family Shield Credit, is available to cover all funeral- related expenses. One less thing to worry about, providing financing for up to 36 months with no pre-payment penalty.

OPTION 2: PRE-PAID FUNDS
(Cash disbursements are in addition to any prepaid funds unless otherwise noted. Select option 1, 3 or 4 for balances due on service and merchandise.)

OPTION 3: PAYMENT IN FULL BY CASH OR CHECK by the day of the service.

OPTION 4: PAYMENT IN FULL BY VISA, MASTERCARD OR AMERICAN EXPRESS BY THE DAY OF SERVICE. Many families opt to use the cards of several family members, eliminating the need to potentially have credit line issues. 3% fee

OPTION 5: LIFE INSURANCE ASSIGNMENT: Most insurance companies allow the beneficiary of the policy to assign payment of the funeral expenses from the proceeds of the policy. 4% fee

For your convenience we accept Assignments and work through a third party specialist, Express Funeral Funding, Inc. (“EFF”) to process and expedite all Insurance Assignments. **EFF charges a 4% fee to process all claims.** Beneficiaries may also choose to claim any benefit in excess of the funeral expenses to be liquidated at the time of the arrangements. All Assignments, if this method is chosen, will be verified by EFF and if it is deemed that the insurance is not assignable, has lapsed or is invalid, an alternate payment (Options 1 - 4) will be necessary. If the amount of Insurance is less than the funeral expenses, choosing one of the other payment options for the remainder can satisfy the balance.

A WORD ABOUT ESTATES: If you will be looking for the estate of the deceased to pay funeral expenses, you must select one of the above payment options for the interim until the estate is settled, as we are unable to wait for the settlement of estates. When the estate is settled, reimbursement can be made to those who made payment to the funeral home.

We appreciate the opportunity to serve you and your family.

Our funeral home makes no representations or warranties regarding outer burial containers. In most areas of the country, state or local law does not require that you buy a container to surround the urn in the grave. However, many cemeteries require that you have a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. Other selections may be available by special order. Certain outer burial containers listed are available in extra width and length size upon special order at an additional cost. We will gladly quote on these if requested.
