Our Payment Policy

It is an honor for us to meet you and to serve your family. When it comes to choosing a funeral home, there are a number of things that set Laurel Oaks apart. We offer the convenience of a funeral home and memorial park in one setting which places us in a unique position to be able to extend our caring relationship with you far beyond the date of the funeral service. Our Bennett Family Gardens was recently approved as a state historical landmark which is a testament of our many years of dedicated service to our community. We are one of the few such places in the Dallas-Fort Worth Metroplex that continues to be family owned and operated. While many are relying on computer technology, we have a large gallery of caskets and urns that enables you to actually see and feel our merchandise so that you are comfortable with your purchase. Our chapel is newly remodeled with a beautiful sky mural that our families find very comforting.

Our goal is for you to experience the uniqueness of Laurel Oaks with as little financial burden to your family as possible. For your convenience, we offer a number of payment options such as cash, check, debit or credit card, insurance assignment, payment from a forwarding or receiving funeral home, pre-paid funeral plan with Laurel Oaks or another funeral home, and LendingUSA. Please be aware that payment is due at the time of arrangements. If you are not prepared at this time, then payment must be received no later than 48 hours prior to the services. If you choose to pay by insurance assignment, the life insurance policy must be verified no later than 48 hours prior to the service, assignable, and non-contestable. (A contestable period is usually two years from the date the policy is written.) A fee of 3% will be applied to the funeral contract amount or a minimum.

We also work closely with a company called LendingUSA which specializes in loans for funeral expenses and will be happy to assist you in applying for this service.

Laurel Oaks Funeral Home <u>Adult Outer Burial Container Price List</u> Prices effective February 9, 2024 and are subject to change without notice.

In most areas of the country, state or local law does not require that you buy a container to surround the casket or urn in the grave. However many cemeteries, including Laurel Oaks Memorial Park, require that you have such a container so that the grave does not collapse. Either a grave liner or a burial vault will satisfy these requirements.
