MEMORIALS

The personalization of a monument is not only how it is sandblasted or etched, it is also in the fundamental form and color of the stone itself. When you choose one of our exquisite Legacy Memorials, you will get a completely unique monument for yourself or your loved one. Finish it with laser artwork for an ultra-personalized stone that all will adore.

The Beauty of Granite

A COLOR FOR EVERYONE!

WHY GRANITE?

Granite is one of the most durable types of rock found within the earth. It's distinctive beauty and timeless quality make it the perfect material for memorializing a loved one. Each piece of granite has it's own unique qualities, texture, color and tonal differences that symbolize the uniqueness of each and every individual.

Choosing a granite color is the first step in creating a personalized memorial. We're dedicated to offering you quality granite from the most dependable quarries around the world. We are proud to bring you a wide selection of colors to choose from as you plan for yourself or your loved one.

SIX WAYS TO PERSONALIZE

1. Add color with a colored laser etching or personalized Diamond Hand Etching!
2. Customize your choice of pillar with timeless sandblast.
3. Laser engrave directly onto black granite or insert a laser etched tile into any monument color.
4. Combine any color base with any die to create your own look!
5. Choose from four unique pillar styles shown below.
6. Add customized Sandblast or Laser etch lettering.
