GENERAL PRICE LIST

The prices are effective as of **October 1, 2025 and are subject to change without notice.*

For the convenience of our families, we have grouped together the most often used combinations of services, facilities and equipment. These convenience combinations have been modified in price and therefore, the total cost of each, as a package, is less than the prices of the included parts, if itemized.

A CASH ADVANCE ITEM is any item obtained by the funeral home from another party on behalf of the family. Such advances could be death certificates, burial permits, airline charges, and in some cases, cemetery charges. All cash advances may not show on the **GENERAL PRICE LIST**. However, these should appear on the statement you receive during the funeral arrangement showing services and merchandise provided.

Prior to drafting any contract for goods or services, the responsible party with legal right to handle the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.
