The goods and services shown below are those we can provide to our customers. You may choose only those items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff and Overhead **\$2995.00**

Our services include: Conducting the arrangement conference; planning the funeral; consulting with family and clergy; shelter of the remains; preparing and filing the necessary notices; obtaining the necessary authorizations and permits; coordinating with the cemetery, crematory or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs such as insurance, maintenance and utility expenses, secretarial and administrative costs, and equipment and inventory expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Embalming **\$645.00**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
