Meaningful Tributes[®]

BURIAL

CREMATION

Cremation

We operate our own crematories so your loved one never leaves our care.

Burial

We work with your cemetery and take care of each detail.

Notes

The Snyder Difference

Snyder provides Transparent Pricing

The government-required General Price List is confusing. We knew there had to be a better way and spent 2 years researching our [Meaningful Tributes™ guide](#).

Snyder Directors Make the Process Easier

We take care of [more details](#) than the average funeral provider so you can spend more time with friends & family.

Snyder is State-of-the-Art

Family-owned for 100+ years, Snyder Funeral Homes pairs tradition with cutting-edge funeral technology.

Snyder is Committed to Sustainability

Snyder Funeral Homes is proud to be certified by the [Green Burial Council](#). Unlike other programs, you cannot simply pay to become certified by the GBC.

Snyder Directors Elevate Your Experience

Our favorite moments come from hearing your compliments. It's not uncommon for attendees to express that the service was unlike any other they've experienced.

Snyder Celebrates Lives

If your loved one envisioned a celebration of their life, Snyder Directors know just what to do. Our certified Celebrants focus on the individual story—relationships, defining moments, and what mattered most.

Snyder Directors have a Tailored Approach

We tailor our services to align with your family's beliefs—from traditional to flexible to ensure a meaningful experience.

Catering

BURIAL

CREMATION

Community Room

Some chapels offer designated meal areas post-service. If not available at your chapel, your director can provide nearby options.

Beverage

Permitted at some chapels. Setup and cleanup charges apply. You must provide alcohol in compliance with local laws. Inquire with your director for details.

Catering

Some chapels offer food options ranging from DIY (bring your own food) to full-service catering through local partnerships. Inquire with your director for details.

Why Many Families Choose a Funeral

Cremation is a method—not a moment of goodbye.

CREMATION

A Funeral Values Life

Lives matter. Memories matter. Even if they “didn’t want a fuss,” give yourself permission to celebrate the happy moments.

Start Mourning

A Funeral is a Milestone

Funerals provide significance & structure to the early stages of grief—a milestone on your family’s timeline.

Value the Life Lived

Funeral = Closure

A Funeral Provides Closure

Seeing is believing. Families we serve report a higher sense of closure after having a funeral with a viewing of their loved one.

A Funeral is Social Support

Grief can feel isolating. Funerals bring people together—sharing hugs, stories, and warm fuzzies when they are needed most.

Give & Receive Support

Safe Space for Emotion

A Funeral is a Safe Space

Express emotion on your terms. Without a funeral, every trip outside will invite questions about your loss when you least expect it.

Payment Policy

To lose someone you love is a devastating experience. It is traumatic and can impact judgment. We believe in the importance of recognizing and celebrating your loved one's life and will assist by arranging services to meet your individual needs. We do not want a family to spend more than they should nor less what they would like. It is also important to be realistic in respect to funeral expenditures and to make arrangements in keeping with your family's wishes and budget. We want you to leave the funeral home today with the peace of mind that all financial decisions have been made. **Payment will be required before services can be scheduled.** We are not able to contract with estates for payment. The person who volunteers to pay for funeral expenses today is given priority for reimbursement when the estate is settled (Ohio Revised Code 2117.25).

Life Insurance

Insurance needs to be assigned to the funeral home and verified before we can schedule services. Group Policies (such as those provided by an employer), Contestable Policies (taken out within 2 years of the date of death), and Pending Cause of Death (delayed death certificate) **cannot be accepted.**

Your funeral director will need to verify the policy death benefit. Many insurance companies have a wait time of 1+ hours to speak with a representative and are closed on weekends/evenings/holidays. Each company is different and some require 5-10 business days to verify a policy and some will not release any information (including verification) to anyone but the policy owner.

The beneficiary will also need to provide a certified copy of the death certificate if requested by the insurance company.

Tribute Fund

We can place crowdfunding on your loved one's obituary for you and your family to share on social media.

The funeral expenses will be covered by donations, minus a **4% processing fee** (the exact cost we incur to handle the payments).

Unlike other 'fund me' platforms, donations to our Tribute Fund will **not** be taxable to you as income.

If donations are made more than the cost of services selected, a refund will be issued 10 business days after the final payment.
