The goods and services shown above are those we can provide to our customers. You may choose only the items you desire. Why Have a Funeral?

A Funeral Values Life

Lives matter. Memories matter. Even if they “didn’t want a fuss,” give yourself permission to celebrate the happy moments.

Start Mourning

A Funeral is a Milestone

Funerals provide significance & structure to the early stages of grief—a milestone on your family’s timeline.

Respect

Value the Life Lived

Funeral = Closure

A Funeral Provides Closure

Seeing is believing. Families we serve report a higher sense of closure after having a funeral with a viewing of their loved one.

A Funeral is Social Support

Grief can feel isolating. Funerals bring people together—sharing hugs, stories, and warm fuzzies when they are needed most.

Give & Receive Support

Safe Space for Emotion

A Funeral is a Safe Space

Express emotion on your terms. Without a funeral, every trip outside will invite questions about your loss when you least expect it.

Payment Policy

To lose someone you love is a devastating experience. It is traumatic and can impact judgment. We believe in the importance of recognizing and celebrating your loved one's life and will assist by arranging services to meet your individual needs. We do not want a family to spend more than they should nor less what they would like. It is also important to be realistic in respect to funeral expenditures and to make arrangements in keeping with your family's wishes and budget. We want you to leave the funeral home today with the peace of mind that all financial decisions have been made. **Payment will be required before services can be scheduled.** We are not able to contract with estates for payment. The person who volunteers to pay for funeral expenses today is given priority for reimbursement when the estate is settled (Ohio Revised Code 2117.25).

Pre-Paid Funeral

Cash

Reminder: POA (Power of Attorney) ends upon death.

Check

Credit Card

We accept all major credit cards. A 2% fee will be charged (fee is less than the cost we pay).

E-Check (ACH)

Please provide your name, routing number, account number and type: checking or savings.

Approved Loan

A loan can be secured through a financial institution of your choice.

Life Insurance

Insurance needs to be assigned to the funeral home and verified before we can schedule services. Group Policies (such as those provided by an employer), Contestable Policies (taken out within 2 years of the date of death), and Pending Cause of Death (delayed death certificate) **cannot be accepted.**

Your funeral director will need to verify the policy death benefit. Many insurance companies have a wait time of 1+ hours to speak with a representative and are closed on weekends/evenings/holidays. Each company is different and some require 5-10 business days to verify a policy and some will not release any information (including verification) to anyone but the policy owner.

EACH BENEFICIARY

Once we have all items we will work to verify your policy. The beneficiary will still need to fill out claim forms which the insurance company typically mails to their home with instructions and a return envelope. The beneficiary will also need to provide a certified copy of the death certificate if requested by the insurance company.

Tribute Fund

We can place crowdfunding on your loved one's obituary. The funeral account is paid by donations minus a 4% fee (the exact cost we pay to process the payments).

If it's important to have your loved one present for their service, consider upgrading to Package F, G, or H for a closed-casket funeral as we cannot guarantee the urn will be ready by a specific date.
