NOTE: An "Immediate Burial" is when we transport the body directly to the grave at a time mutually agreed upon by us and the cemetery, without the involvement of family. An Immediate Burial is not a Graveside Service; there is no family present. If the family wishes to be present, only to witness the burial from a distance, we ask that you honor the time we have already arranged with the cemetery. If family, friends, or clergy wish to be present at the grave (perhaps to say a few words or have a prayer) it is no longer an Immediate Burial and has now become a Graveside Service and we will need to charge accordingly.

As a complimentary service, we are happy to post an obituary on our website for any family we serve.
